

Preparing
Children for
Success

You care about quality.

It shows in your **professionalism.**

It shows in your **commitment.**

It shows in your **attentiveness.**

It shows each day as you **engage with children.**

Introducing ExceleRate Illinois, the new quality rating and improvement system for early learning and development programs. ExceleRate Illinois helps you keep quality an active priority, with guidance and support to implement best practices that prepare children for success in school and in life.
