PROGRAM PORTFOLIO

The Silver Circle of Quality application requires a two-part verification process (both parts include an on-site visit).

Part one consists of a state approved assessor reviewing several pieces of documentation on site at your program. To make sure you have all required documentation available, please review the *Getting Ready for the Silver Circle of Quality* checklist. All pieces listed must be included in the portfolio in order for your application to move forward to part two. This portfolio includes detailed policies (as required by some standards), self-assessment, CQIP, PAS documentation, etc.

13. Have you completed an organized portfolio inclusive of all required documentation to address ExceleRate standards?

NO

By choosing YES above, you are acknowledging that you have gathered all required documentation for review and you will have these documents available during your part one verification visit. If a complete portfolio is unavailable for review, your program will be ineligible for Silver (and any applicable CCAP add-on will end).

If NO, your program is not ready to apply (should you submit your application and mark NO, your application will be deemed ineligible). Please visit the website for resources and contact your local CCR&R for assistance in getting prepared.
